AFFIRMATIVE DEFENSES

BY WAY OF DEFENSES, and without conceding that it has the burden of proof as to any of these matters, RB alleges as follows:

FIRST AFFIRMATIVE DEFENSE

(Failure to State Facts Sufficient to Constitute a Cause of Action)

1. The First Amended Complaint, and each of the purported causes of action asserted therein, against RB fails to state facts sufficient to constitute a cause of action against RB.

SECOND AFFIRMATIVE DEFENSE

(Reasonable Consumer Not Deceived)

10 2. The First Amended Complaint, and each of the purported causes of action
11 asserted therein, against RB fails, in whole or in part, because the Woolite Darks laundry detergent
12 and Woolite Gentle Cycle laundry detergent products as delivered have met the needs and
13 expectations of consumers and no reasonable consumer would interpret the alleged
14 communications and advertising in the manner Plaintiff alleges or rely on them to their detriment.

THIRD AFFIRMATIVE DEFENSE

(No Reliance)

17 3. The First Amended Complaint, and each of the purported causes of action
18 asserted therein, against RB fails, in whole or in part, because Plaintiff does not sufficiently allege
19 any misrepresentations upon which he relied.

FOURTH AFFIRMATIVE DEFENSE

(Statute of Limitations)

22 4. Plaintiff's purported claims are barred, in whole or in part, to the extent
23 Plaintiff seeks relief for any purported claims that were not brought before the expiration of the
24 applicable statute of limitations, including but not limited to, California Business and Professions
25 Code section 17208, California Code of Civil Procedure sections 338(a) and 338(d), and/or
26 California Civil Code section 1783.

FIFTH AFFIRMATIVE DEFENSE

(Lack of Standing)

3 5. The First Amended Complaint, and each of the purported causes of action
4 asserted therein, against RB fails, in whole or in part, because Plaintiff lacks standing to pursue the
5 asserted claims. Among other things, Plaintiff should be barred from pursuing claims based upon
6 representations that Plaintiff did not rely upon and therefore suffered no injury.

SIXTH AFFIRMATIVE DEFENSE

(Compliance with Statutes, Regulations and Industry Standards)

9 6. To the extent that RB engaged in any of the activities alleged in the
10 Complaint, those activities were in compliance with, and pursuant to, statutes, government
11 regulations and industry standards in existence at the time of the activities.

SEVENTH AFFIRMATIVE DEFENSE

(Justification and Privilege)

14 7. The First Amended Complaint, and each of the purported causes of action
15 asserted therein, against RB is barred, in whole or in part, because RB actions, if any, respecting
16 the subject matters alleged therein were undertaken in good faith, with the absence of malicious
17 intent, and constitute lawful, proper and justified means.

EIGHTH AFFIRMATIVE DEFENSE

(Lack of Proximate Cause)

20 8. The First Amended Complaint, and each of the purported causes of action
21 asserted therein, against RB fails, in whole or in part, because RB's conduct was not the proximate
22 cause of the harm alleged therein.

NINTH AFFIRMATIVE DEFENSE

(Good Faith Belief)

25 9. The First Amended Complaint, and each of the purported causes of action
26 asserted therein, against RB is barred, in whole or in part, because, at all times and places
27 mentioned, RB acted without malice and with a good faith belief in the propriety of its conduct.

TENTH AFFIRMATIVE DEFENSE

(Unclean Hands)

10. The First Amended Complaint, and each of the purported causes of action
1 asserted therein, against RB is barred, in whole or in part, by the doctrine of unclean hands. RB
2 asserts this affirmative defense on information and belief and because, due to the sheer size and
3 scope of the putative class and the lack of specificity in the First Amended Complaint, it is
4 possible that one or more members of the putative class, including Plaintiff, have engaged in
5 misconduct that would make it inequitable for them to obtain any relief from RB.

ELEVENTH AFFIRMATIVE DEFENSE

(Estoppel)

11 11. The First Amended Complaint, and each of the purported causes of action
12 asserted therein, against RB is barred, in whole or in part, by the doctrine of estoppel.

TWELFTH AFFIRMATIVE DEFENSE

(Waiver)

15 12. The First Amended Complaint, and each of the purported causes of action
16 asserted therein, against RB is barred, in whole or in part, by the doctrine of waiver. RB asserts
17 this affirmative defense on information and belief and because, due to the sheer size and scope of
18 the putative class and the lack of specificity in the First Amended Complaint, it is possible that
19 one or more members of the putative class, including Plaintiff, have waived their right to obtain
20 relief against RB. Among other things, the proposed class, as defined in the Amended Complaint,
21 includes consumers who have continued to purchase RB products with notice as to the way in
22 which the Woolite Darks laundry detergent and Woolite Gentle Cycle laundry detergent products
23 remove pilling and fuzz to revive color in clothing. Such consumers have waived their right to
24 obtain relief against RB.

THIRTEENTH AFFIRMATIVE DEFENSE

(Laches)

27 13. The First Amended Complaint, and each of the purported causes of action
28 asserted therein, against RB is barred, in whole or in part, by the doctrine of laches. In particular,

1 Plaintiff's delay in filing the lawsuit has been substantially prejudicial to RB. RB asserts this
 2 affirmative defense on information and belief and because, due to the sheer size and scope of the
 3 putative class and the lack of specificity in the First Amended Complaint, it is possible that one or
 4 more members of the putative class, including Plaintiff, have, by virtue of their delay, waived any
 5 right to obtain relief against RB.

6 **FOURTEENTH AFFIRMATIVE DEFENSE**

7 (Failure to Mitigate Damages)

8 14. If Plaintiffs and the putative class members have suffered any damages by
 9 reason of any acts, omissions, or courses of conduct on the part of RB, all or part of the damages
 10 were caused by or attributable to the failure of Plaintiff and the class to act reasonably or prudently
 11 to mitigate their damages. RB asserts this affirmative defense on information and belief and
 12 because, due to the sheer size and scope of the putative class and the lack of specificity in the First
 13 Amended Complaint, it is possible that one or more members of the putative class, including
 14 Plaintiff, have failed to mitigate any alleged damages. Among other things, the proposed class, as
 15 defined in the First Amended Complaint, includes consumers who continued to purchase the
 16 Woolite Darks laundry detergent and Woolite Gentle Cycle laundry detergent products with notice
 17 of how the products remove pilling and fuzz to revive color in clothing. If such consumers
 18 nevertheless continued to purchase the Woolite products they failed to mitigate their damages.

19 **FIFTEENTH AFFIRMATIVE DEFENSE**

20 (Failure to Take Advantage of Preventative or Corrective Opportunities)

21 15. Plaintiff unreasonably failed to take advantage of any preventative or
 22 corrective opportunities provided by RB to avoid the alleged harm, if any, including, but not
 23 limited to availing himself of retailer and/or manufacturer return policies if Plaintiff did not find
 24 the Woolite Darks laundry detergent and Woolite Gentle Cycle laundry detergent products
 25 satisfactory or meeting his expectations.

SIXTEENTH AFFIRMATIVE DEFENSE

(Unjust Enrichment)

16. The First Amended Complaint, and each of the purported causes of action
2 asserted therein, against RB is barred, in whole or in part, on the ground that any award or relief
3 against RB would result in unjust enrichment to the Plaintiff and the class.

SEVENTEENTH AFFIRMATIVE DEFENSE

(Offset)

8 17. If any award or relief is entered against RB, the recovery must be offset by
9 the value of the Woolite Darks laundry detergent and Woolite Gentle Cycle laundry detergent
10 products furnished by RB.

EIGHTEENTH AFFIRMATIVE DEFENSE

(Class Action Requirements Not Met)

13 18. Plaintiff cannot properly bring this case as a class action under Federal Rule
14 of Civil Procedure 23 because Plaintiff cannot satisfy its requirements. Individual questions of
15 fact and law predominate over common questions, Plaintiff is not an adequate class representative,
16 her claims are not typical of those belonging to the alleged class members and other class
17 requirements cannot be satisfied, including presenting a viable damages model.

NINETEENTH AFFIRMATIVE DEFENSE

(No Entitlement to Punitive Damages)

20 19. Plaintiff is not entitled to recover punitive damages, in whole or in part,
21 from RB under applicable of law.

TWENTIETH AFFIRMATIVE DEFENSE

(Additional Defenses Against Unnamed Class Members and Reservation)

24 20. RB may have additional defenses against the unnamed members of the class
25 that Plaintiff purports to represent. RB reserves the right to assert additional defenses against the
26 unnamed members of the class or subclass that Plaintiff purports to represent if a class or a
27 subclass is certified against RB and as the factual basis for each additional defense becomes

1 known. RB specifically reserves the right to amend this Answer by way of adding additional
2 defenses.

3 **TWENTY-FIRST AFFIRMATIVE DEFENSE**

4 (Lack of Particularity)

5 21. The First Amended Complaint, and each of the purported causes of action
6 asserted therein, against RB is barred, in whole or in part, on the ground that the First Amended
7 Complaint fails to describe the alleged fraud with requisite particularity.

8 **TWENTY-SECOND AFFIRMATIVE DEFENSE**

9 (Entitlement to Attorneys' Fees)

10 22. The First Amended Complaint, and each of the purported causes of action
11 asserted therein, against RB is frivolous, vexatious and unreasonable, thereby entitling RB to an
12 award of its reasonable attorneys' fees.

13 **DEMAND FOR JURY TRIAL**

14 RB hereby makes its demand for a jury trial.

15 **PRAYER FOR RELIEF**

16 WHEREFORE, having answered Plaintiff's First Amended Complaint and having
17 asserted affirmative defenses, RB prays for judgment as follows:

18 1. For dismissal of all claims and causes of action against RB alleged in Plaintiff's
19 First Amended Complaint with prejudice;

20 2. For denial of certification of this matter as a class action;

21 3. For all costs, disbursements and legal fees in an amount to be determined at the
22 time of trial; and

23

24

25

26

27

28

4. For such other and further relief as the Court deems just and equitable.
